AN ALLIANCE OF FULL GOSPEL MINISTRIES

Mark16:15 Go into all the world and preach the gospel to every creature.

Sept 2010. a bi-monthly report of Gods working in the Philippines and beyond

---

The Lord Reigns:

Truly, God our Father is our hood God, we always have reason to give him praise. As we enter into the beginning of a new mandate, let us continue to remain focused on the task to reach the unreached with the gospel of Jesus Christ! A story told here in the Philippines of a Barangay Captain who received a report that a daughter of a constituent was lost in the midst of a wide sugar cane field. Many volunteers came forth to help with the rescue of the young girl. While searching all day long a huge storm came fast approaching. The Captain called all to his side, and said we have search and found nothing. Let us come together with hands joined and walk across the sugar field. As they did they found the lifeless body of the young girl. The comment was made, "had we joined hands we would have found her alive. Friends before it is too late, let us join hands together in partnership for honoring the king of the Kingdom, Our Lord Jesus Christ. Let us work together in searching for the dying, and lost humanity before it is to late for them. 'That we may bring them before the feet of our lord Jesus Christ.'

## Philippines Partner Ministries Encouraging the Body

Philippine missionary, Marissa Francisco of Jesus Is Supreme Global Outreach, recently visited the Sto. Nino, Quirino Province, Philippine Bethel Church. Having met Missionary Francisco by way of introduction through Bishop Simeon Strauser, FGA-USA, Pastors Rueben and Juliet Badong were excited to welcome Ptra. Francisco to Sto. Nino. This would be the first visiting missionary in the recently closed in church building there in Sto. Nino. The structure has been a joint project between FGA-USA and the Philippine Bethel Church.

No stranger to remote areas, Francisco recently arrived back into the Philippines from the country of China, where she has served since 1998. While here in the Philippines she attended the April 2010 FGA-Philippines Summit in Bacolod, where she first met Bishop Paul Baguitay, of Philippine Bethel Church.

The April 2010 FGA-Philippines Summit in Bacolod, where she first met Bishop Paul Baguitay, of Philippine Bethel Church. The July 31st weekend was filled with a joyous celebration unto the Lord for his goodness. The word of God was preached with a challenge for the congregation to reach out to the village and beyond. To God be the glory in this opportunity for Full Gospel Assemblies partner ministries around the world to come together in ministry encouragement.

**Mottos are helpful:**

I have always enjoy the idea of mottos to live by. One particular one that has become engrained with in my life is, " *keep our mind of past failures your eyes off present circumstance and your heart on future success*". The Word of God encourages us to forget those things behind us. We cannot live in the past nor can we allow the past to hinder us in our walk for today. We are to walk by faith and not by sight, by keeping our eyes off present circumstances. The work that lies before us can only be seen by the eyes of faith, as we put our trust in the Lord Jesus. He has honored us wit the privilege to preach His glorious Word to all the world. What better way can we accomplish this task but to look to Gods way of success. " *This Book of the Law shall not depart out of your mouth, but you shall meditate on it day and night, that you may observe and do according to all that is written in it. For then you shall make your way prosperous, and then you shall deal wisely and have good success. Have not I commanded you? Be strong, vigorous, and very courageous. Be not afraid, neither be dismayed, for the Lord your God is with you wherever you go Joshua 1:8-9.*

May we all be encouraged as we move forward to success for the Kingdom of our God and His Glory.

**Regarding the Ministry**

First of all, I would like to give thanks and praise unto God for saving my life and for calling me into the Ministry and as I responded to His call I have witnessed and seen God works in the lives of people changing them and conveyed them from the kingdom of darkness into the Kingdom of Light. (col. 1:13).

Regarding the Ministry, since I had started God expanded the ministry herein the mountain areas impacting the lowlands and as David the Greatest Psalmist of Israel said that Promotion does not come from the south, east & west but it comes from God. In 1983 we started our Bible School (Philippine Bethel Bible Institute) and we have around 300 students who have graduated and most of them are now in the ministry as Pastors, leaders, teachers of children and as Associate Ministers. We thank God for what He is doing in the Philippines especially in the Luzon big island.

Now, by God's grace I had been promoted as the Chairman or Gen. Superintendent of the Philippine Bethel church, Inc. with around 300 Pastors & 200 local churches. As the Lord tarries any longer, we are envisioning more churches to be built. Let us work until He comes.

God richly bless our continued unity in the ministry.  
 Together In the Great Commission,  
**Bishop Paul D. Baguitay, Sr. Philippine Bethel Church**
